## **From The President**

The past month has been very productive for members of LATOW. The Seminar committee are finalizing arrangements for our upcoming seminar with Moose Peterson which will take place on the 20th of April 2002 at the Art Center. We have had a members evaluation as well as New Exposures , Digital Group and Studio Group meetings. The meetings have been well attended and active participation by members was the rule.

The upcoming month promises to be equally interesting: Joh Friedrich's Photo Art Group will meet on the 4th ;we have a General Meeting on the 11 with a guest lecturer by the name of Paul Fitzsimmons who will give us insight into “Adventure in Seeing”; our Black and White Group will get together on the 18th. I guess just business as usual for LATOW.

## From The President...

I am pleased as President to see so much participation by both new as well as old members. The health of our club can be measured by the amount of involvement our members are willing to commit to our activities. I would suggest all members review our schedule of events and to consider possibly attending the events. All are welcome (new, old or potential members.)

### Evaluations

by Peter Young

We had our first evaluation of the season on the 13th of November. The judge was Andy Duncan of Duncan and Wright photography Fairview Ave., Burlington. The results of scores were on the low side as compared to other years however, I personally believe the quality of the images were superior to other evaluations.

Some were disappointed, however those who received Honorable Mentions certainly felt they deserved them.

The H.R.'s were not awarded at the meeting due to some discussion that if adopted would have resulted in an increased of the scores by 3 points across the board. I did not wish to conduct two awards presentations therefore the I decided to postpone the event until our next general meeting.

A discussion was held with the members of our executive and it was decided the judge's scores will stand as they are. It is our belief that LATOW's interests are best served by doing so.

The bottom line is the following persons have been awarded Honor-

able Mentions are:

Brooke Ryan  
Jennifer Phelan  
John Corbet  
John Wade  
Mark Sayles (3x)  
John Webster

Those who have obtained sufficient Scores to be awarded an Honorable Mention please attend the General Meeting on the 11th of December to Receive them.

### Up and Away

Last call for those who are interested in attending a presentation by our club member Dave Walker on Aerial Photography. I have not received any calls to date and at this point it doesn't appear a future presentation will occur. Those interested, please contact the writer at (905) 876-3801.

### Fireside Lounge Exhibition

By Peter Young

An exhibition of our members as well as members of the Burlington Photographic Arts Group began on the 28th of November and will continue until approximately the end of December in the Fireside Lounge.

The exhibition will highlight Black and White prints. Be sure you take this one in, see you there.

### Upcoming Events

by Peter Young.

The planning process has been initiated for the upcoming Art Auction which will be held on February 22,2002. The event is organized and run by Arts Burlington with the help of volunteers from the Guilds.

Our member responsible for this year's Art Auction is Bill Warren.

This fund raiser produces multi thousands in revenue which is eventually forwarded to the Art Center to help pay operating costs. The monies produced constitutes a major portion of Arts Burlington's Annual Pledge to the Center.

The pieces of Art which are sold are donated to the Auction by members of the community, guilds and alumni. One distinguished member who has donated in past years is Robert Bateman.

Please contact Bill Warren at 905 634-9526 to volunteer for this worthwhile event.
