### Christmas Potluck

I like to start my report by giving a big THANK YOU to Marianne Limberger for the wonderful job she did in organizing the potluck. It was a very pleasant evening, we had 45 people enjoying all t  
Thanks to all for coming.

I hope that everyone had a great Christmas and that you were able to spend it with your family and friends. Now we start a New Year and the coming months will be very busy for Latow.

### 3 Club

This will be held on Saturday February 23. Tickets are \$ 8.50 per person, this includes entry fee and food. The 2 other clubs preferred to pur-

chase wine and beer tickets separately, the cost will be \$ 4.50. There will also be pop available. Please buy your tickets in advance, this will assist us and the food caterer. We are promising that the food will be a lot better than last year. And the wine will be served in glass plastic. A digital AV show will be included this year. Paul will explain where to send the images.

### Studio

In the beginning of December we did an inventory of the studio equipment and on Saturday January 4 we will be working in the studio so that there will be more backdrops available. If you can, please come and help. Starting time 10 am. The new computer and scanner that the club has purchased will be placed in the studio in early January. The quality of the scanner is amazing. Circle January 21 as Paul will be using the computer for the digital group.

## 3 Club Wine and Cheese

By Paul Sparrow

Now that Christmas has passed us the 3 Club Wine & Cheese is just around the corner (February 22nd) and again we look forward to producing the AV show that hilites the work of our members. This is where we get a chance to show off our work in this special medium of slides and music to the other clubs and the public who come to this wonderful evening.

Again I'm looking for all types of images from nature & landscapes to people & pictorials and abstracts and everything in between. The more the better and if you have a

number of images in a sequence, I'll take them too. The more we have the better we can show off the diversity of photographic work that make up Latow.

Could you please put your slides in clear plastic pages for easier viewing and sorting and make sure your name is on ALL slide mounts with the correct orientation marked with a dot in the lower left corner when viewed correctly. I will be collecting images starting the first meeting in January and will put a drop off box in the finishing room for those who can't make the meetings. I will need ALL images no later than the end of January. Thanks in advance for your images and I look forward to a great again.

## Arts Burlington Xmas Sale

By Peter Young

I would like to provide a quick update in regard to the Xmas Sale.

The Sale was a resounding success and we were able to produce approximately \$6500 dollars to be donated to the Art Centre to help to lesson an anticipated deficit which the Centre has experienced due to unforeseen increases in heating and power costs. A final tally has not been completed as yet, we are still waiting for some contributions and bills to be forwarded.

Once again I would like to thank everyone who participated.

## Just a Reminder

By Peter Young

I would like to remind everyone the submissions for the next evaluations will be excepted on the 7th of January 2003 in the finishing room.

I also suggest everyone give some thought as to what they intend to enter in the following upcoming events namely:

**Feb 22** Three Club Wine and Cheese

**March 8 to April 6** Juried Show

**5th April** Annual AV Festival

**11,12,13 April** Kaleidoscope

**22 April** Annual Awards

An interesting work shop will be presented on March 22nd by Peggy Taylor Reid who will be lecturing on Cyanotype and Van Dyke photographic processes. (Please see page 3)
