## Black and White Group

By Richard Litke

Our December meeting was a very interesting experiment - we took a Bunch of stacking chairs, some strips of plastic, and we created a "Holiday Tree", complete with lights (or rather, lighting). I'm very curious to see what the resulting photographs are like. For our February 18th meeting, I would like everyone to bring their interpretations of our experiment.

After we review the prints, I would like to continue the experiment. This time, be sure to bring some photogenic objects (otherwise known as

junk), along with your cameras. Please don't make me have to use those chairs again!. I would like to concentrate, however, on using light sparingly, and deliberately, as in painting with a brush. Please bring your lighting ideas, and any unusual equipment you might have to achieve this.

## Upcoming Events

By Peter Young

Paul Sparrow has contacted me and supplied information on a upcoming contest run by Just Cameras.

The contest involves a day of photography much like our recent contest a "Day in the Life of Burlington". In this case the title is "Discover Mississauga Winter-shoot 2003". I have included on page 4 further particulars. Registration documents and rules are available on Just Cameras web site at [Info@justcameras.com](mailto:Info@justcameras.com). A hard copy of the rules and registration documents will be posted in our finishing room.

A second event of interest is a **hand tinting seminar** which will be conducted by Deb Stagg. The following was provided by Ms Stagg:

Hello

Pleased with the success of the October Workshop I'm offering a one day "hands on" session again. To enable me to offer this at \$105, the minimum enrollment is ten participants, with a maximum of 15.

## Arts Burlington News

By Peter Young

Arts Burlington will be conducting their general meeting on the 13th of February at 7:00 p.m. at which time the new executive of the council will be installed.

Latow has the responsibility of supplying the president this year and I have volunteered to take over those responsibilities. We will at the meeting make minor changes to the constitution of Arts Burlington . So come out and see how the process works.

The council will have major changes to deal with in the upcoming year. We have agreed to turn over responsibility of the Art Auction and the Art and Craft Sale to the Art Centre. We, however are required to provide volunteers for these and other events through out the year. These volunteers will come from the Guild members.

The Centre expects a volunteer commitment of 10 hours per Guild member to be utilized for Centre oriented events. In return we are no longer required to commit to a yearly monetary pledge. This will take the pressure off Arts Burlington members to produce, through our events, a preset amount of cash.

In order to address this new commitment we will be contacting the various Guilds through the Council to organize and arrange for the completion of our joint responsibilities.

Please contact me if you have any questions. 905 876-3801
