High school/college students free with reservation**

### PRESS RELEASE

**Photographic Arts Society of Northwestern PA (PASNWPA)** is hosting an educational photography seminar called “Not Just Another Shot” by award-winning photographer, Ellen Anon. The seminar will be held in Room 104 at the Zurn Science Center at Gannon University located at 143 W 7th St, Erie, PA 16501. The cost is \$49, which includes lunch. High school and college students are free with ID but must reserve a seat in advance. To reserve your spot for this full-day seminar, send a check in the amount of \$49 payable to ‘PASNWPA’ to Candy Felege at 9147 Francis Rd., Girard, PA 16417 or pay by PayPal at [www.PASNWPA.org](http://www.PASNWPA.org) send an email to [cfelege@yahoo.com](mailto:cfelege@yahoo.com) or call (814) 881-4241.

In this full-day seminar, Ellen, whose photography is based on nature, with a blend of the realistic and abstract, will provide valuable insight into how to create images that stand out from the millions that are taken each day...images that go beyond being just technically correct. And involve emotions and communicate stories.

The full-day seminar will be divided into sections that will include some lecture, as well as exercises and discussion. The exercises are designed to help you step out of your comfort zone and experiment in ways that may help you take your images in slightly new directions. Be sure to bring your camera and lenses (or at the very least a cell phone camera)! Some post-processing approaches will be discussed although this will not be the primary emphasis of the seminar. There will also be a private Facebook group for a limited amount of time after the seminar where each person can post a certain number of images created from the workshop and receive feedback both from Ellen and from others who attend the seminar.

Make your reservation today to participate in a unique hands-on seminar by this outstanding and internationally renowned photographer, Ellen Anon!

### About Ellen Anon

Ellen is an internationally acclaimed photographer, writer, and speaker who specializes in expressive photography. Her images, often based on nature, are sometimes realistic and sometimes abstract but always designed to elicit emotional reactions from the viewer. Her goal is to go beyond the ordinary in ways that hopefully stimulate others to pause and appreciate some of the beauty and wonder of our earth to help balance some of the stress of everyday life. Ellen has won recognition in numerous world-wide competitions including the prestigious Wildlife Photographer of the Year competitions. She has co-authored 9 books on photography and digital processing as well as articles and video training materials. She is a member of the SanDisk Extreme Team.

### **About PASNWPA**

**PASNWPA** is a non-profit organization that advances Fine Art photography in the Northwestern Pennsylvania area and helps provide economic benefits for its member artists. Among its stated goals are: to organize and conduct gallery exhibitions, to provide education on Fine Art photography to the public, and to provide member artists a gallery on the **PASNWPA** webpage to showcase their image.
